# Zapad Na Istoku (The West in the East)

Bosnia and Herzegovina 2010 | 22 min 25 sec

A lover of nature, forest, water and astronomy tries to build a weekend house on his own and bring unusual forest water to it 1200 meters in length. By humble eastern financial capabilities and western ideas, he uses lumber waste material to preserve the environment but faces incomprehension and derision from the community.

Nisvet Hrustić (Bosnia and Herzegovina, 1956) is a director, editor and cameraman, began filmmaking in 1975 and was engaged in production, editing and synchronization of cartoons. He was a jury member of the Republic of Macedonia 8th International Television Festival on Environmental Protection and Cultural Heritage - 'ECO - 2007.
